

THE VILLAGE C.R.E.W

This is an eight week inclusive program focusing on improving the social and communicative competence skills of students ages 6-14 with a Dx of ASD and their neuro-typical peers.

The Village Crew meets one time per week for 1.5 hours. Each crew member is given opportunities to work on their individualized behavioral and social goals by engaging in age appropriate games and activities with their peers and Crew leaders. Each session, all members earn Crew points which are cashed in at the end of each meeting at the Crew store.

Sample Day: - 4:30 * Greeting and discussion of evenings activities *

- Indoor game/activity
- Prepare and eat snack
- Outdoor game/activity * Closing including voting on favorite activities and cashing in points at Crew Store *
